

# 4TH ANNUAL YOUNG SCIENTIST SYMPOSIUM ON ATMOSPHERIC RESEARCH (YSSAR)

**Friday, October 10th, 2014**

**CSU Atmospheric Science Campus  
ATS room 101**

Deadline to register to attend is **Friday, September 26, 2014**

Visit our website for symposium information, abstract submission,  
and registration: <http://www.atmos.colostate.edu/yssar/>

We welcome all graduate students and post docs from across the Front Range who are working in meteorology, atmospheric science, and allied fields. The topics include but are not limited to:

- Atmospheric chemistry and aerosols
- Atmospheric dynamics
- Climate and climate modeling
- Cloud physics
- Environmental health and air quality
- Land-ocean-atmosphere interactions
- Mesoscale meteorology
- Remote sensing
- Tropical Meteorology
